

Clickstop Cares' mission is to offer help to people in our community that are going through temporary unexpected hardships. Our Clickstop Cares Closet program collects new and like-new donations such as clothing, household goods, and personal care items and offers these items at no cost to local people in need who meet the objective of our mission. We also try to help connect people to other organizations that can help them in ways we cannot.

If you need assistance we ask that you help us understand your needs by answering some questions so we can figure out how to best serve you. If your needs are outside of our capabilities, we will let you know and try to point you in the direction of other organizations where you may find assistance.

We have found that it is just easier to chat about these questions on the phone or in person. Please provide a phone number and the best time to contact you.

**You can reach us between 8:00am
and 5:00pm Monday through
Friday at our toll-free number
(888) 794-1413**
